January 3rd 2009

To the Parent/Guardian of

Dear Parent/Guardian

I trust you had an enjoyable break over the holiday. I am writing to give you the information for the group called "Fuel". We have decided to merge the groups Fuel and Liquid together on Fridays. This means both groups will be meeting every week from 8.30pm -10pm.

Enclosed is a copy of next terms programme, a Fuel consent form, a permission slip and an envelope for the term's subscriptions, and to return all the relevant forms. The permission slip and consent form must be amended, and handed back along with the subscriptions on Friday January 9th or at the first activity after that date that your child attends. Also this term we have enclosed a gift aid declaration form, which we hope you will sign if you are a taxpayer which helps us reclaim the tax on your subs, this will enable us to keep the costs of the groups down.

If your child attends a meeting without the required completed forms we will have to ask you to fill the form out there and then, or phone you up to come and collect your child. This is because we must comply with current Child Protection Legislation.

The cost of this term is £11. **Please note, however, that if your child wants to attend the bowling night there is an additional charge of £3 and to attend the Laser/Hullabaloo trip on Friday March 13th it is an extra £10.**

There are also a couple of events that you may be interested in happening at the Church this term, firstly beginning in early January the church is running a parenting course for parents with teenagers in partnership with the local schools, and we are also hosting an alpha course which is designed for you to ask and answers questions about the Christian faith. If you want to know more about these courses please contact the church office on 01536 517553.

Please look carefully at the programme to ensure that you have all the details you need for each activity.

We look forward to seeing your child in the near future.

Yours faithfully
Steve Tennant
